

## Quality Policy

To establish and maintain a Quality Management System which satisfies the requirements of ISO 9001:2015, and any other Client specific quality requirements.

To consistently provide products and services in a manner which will satisfy Client requirements in all respects.

To implement appropriate actions to address any risks and opportunities associated with internal / external issues, and to meet the needs and expectations of interested parties.

To ensure all Company personnel are fully competent to carry out their assigned task.

To strive to continually improve our services provided to Clients, through the use of this Quality Policy, quality objectives, performance evaluation including audit results, corrective actions and at Management Review.

To establish annual quality objectives at strategic and operational levels within the Company, that will be measured and reported upon at the management review meeting.

To maintain documented information as objective evidence to demonstrate compliance with the Quality Management System.

To control & continually monitor all projects undertaken.

To comply as a minimum with all applicable statutory and regulatory requirements.

To review the Quality Management System at planned intervals to ensure it is effective and achieving the stated quality policy.
